

Can you imagine the change in prisoners behaviour once TV's were permitted in the Gaol. Loaned from the department on a weekly rental scheme, it changed the way prisoners spent their cell time and gave them uncensored access to the outside world. Unfortunately, we can't experience much of the outside world now, so why not check out some these international crime series and classic gaol films while you're at home.

INTERNATIONAL CRIME

- **Fred & Rose West: House of Horrors** – 9Now
- **Released to Kill Again** – 9Now
- **James Bulger** – 9Now
- **See No Evil** – 9Now
- **Forensics: The Real CSI** – 9Now
- **Killer Couples** – 9Now
